Matthias Gsteiger – Drums
+1 person – roadie, drumtech, driver, merch

We need park space close to the venue for at least one multivan car.

Backline

The band will only bring their personal equipment. The promoter must provide the following parts:

- Drums:** 1x bassdrum, 2x rack tom, 1x floor tom, at least 4 stands for cymbals
- Guitars:** 2x guitar cab (4x12) 8-16 Ohm input
- Bass:** bass cabinet with speakon input

(if there are any questions, do not hesitate to contact us directly)

PA / FOH

The Band...

- ...will travel (if not otherwise communicated) WITHOUT any sound- or light technician
- ...needs qualified technicians for audio and lights who are experienced with thrash metal performances
- ...needs a soundsystem which fits the size of the venue that provides equal sound level and quality all over the listening area

Stage / Monitoring

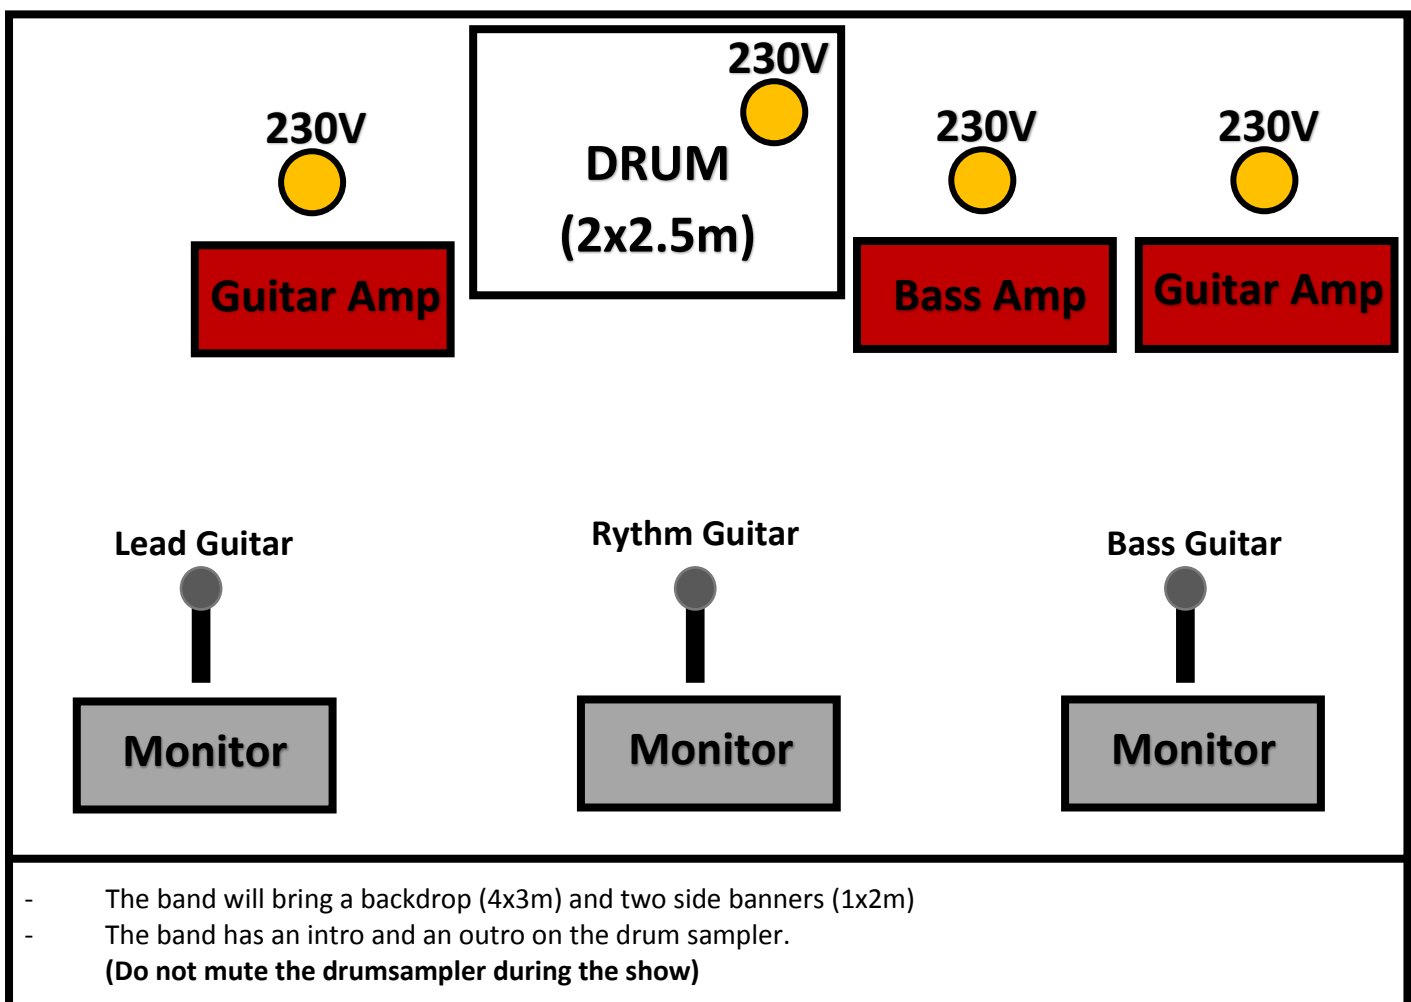

- A minimum of 3 independent monitor wedges, running on 3 individual lines, all positioned downstage
- The drummer will bring his own in-ear system for guitar sounds and **does not** need any monitoring
- The band needs power behind the drum, at the bass -and the guitar amps (at least 4x 230V)
- The band moves a lot on stage. Make sure to have enough space for them

Catering / Personal needs

- The band needs a warm and healthy dinner for all travelparty members
- 1 vegetarian + 1 other allergies
(Matthias has a vegetable allergy and cannot eat stuff like tomato sauce. Prepare some special food for example Pasta without sauce but with cheese, non-marinated meat etc.)
- Enough free beer and non-alcoholic drinks in the backstage
- mineral water without gas on stage (min 8 bottles x 5dl).
- The band would like to have the opportunity to put 4 additional people on the guestlist
